Another Section Of Sunnyside Ave. Ordered Paved

The northern extremity of Sunnyside avenue, now a dirt street, is to be improved, a sufficient number of the property owners between Grand View and Fair View avenues having signed up for the improvement on the same basis on which streets in the southwest section of the city were paved, and the city street department was ordered by the city council on Tuesday to proceed at once with the work. Under the arrangement, property owners will pay for the material costs and the city for labor and supervision out of its gas tax allocation.

A letter from County Road Superintendent George Jones informed the council that its gas tax allocation from the county for the current fiscal year is \$3,217.77. The council was asked to designate as soon as possible street work to be undertaken with the money.

Womans Club Begins Year Of Promise

Dedicates Itself To Community Helpfulness And Utmost Of Co-operation

With a few simple words which expressed a deep sincerity of purpose Mrs. John H. Robertson, president of the Sierra Madre Woman's Club launched a club year dedicated to the memory of Mrs. L. E. Steinberger, beloved charter member, and devoted to community service at the Woman's clubhouse Wednesday morning.

"We are looking forward to one of the most worthwhile years in the club history," said Mrs. Robertson, "and the theme which I wish to stress is simply 'For Others.' Service in our own community and for our young people and cooperation with other community organizations is the work we have set for the year."

Following the invocation by Dean Arnold G. Bode, Mrs. J. Milton Steinberger gave the dedication to Mrs. L. E. (Maggie Ross) Steinberger, who as a young woman, a native daughter born and reared in a stock district of Northern California, came to Sierra Madre in 1885 to be with her father, Robert Ross, who was ill. "Not only was she a charter member and active worker in this club," said Mrs. Steinberger, "but was to be found actively associated with every worthwhile organization in the community. Until the time of her passing last year she maintained an interest in the affairs of the club, was extremely modern in thought, and always at her bedside was a little volume containing the poem 'Courage' written in 1934 by Amelia Earhart, and with the reading of the poem I wish to dedicate this year's work to the memory of Maggie Ross Steinberger."

Following the Pledge to the Flag which was led by Mrs. Waverly Pratt, Miss Hazel James Ferguson, vice-president and program chairman, presented Miss Berta Uriarte, young Sierra Madre pianist, who played four numbers.

Mab Copland Lineman, Los Angeles attorney, author and lecturer, received an enthusiastic welcome and responded with a gay informality which prevailed throughout her talk, during which she touched upon many of the serious problems of today with a sharp penetrating analysis, which brought her to the center of each with a few clear words, that greatly intensified the interest in her talk.

"This year," said Mrs. Lineman, "I have accepted the State Chairmanship of Youth Cooperation for the California Federation of Women's Clubs, which is a new development which played four numbers."

Parents Will Meet New Teachers

School Staff To Be Introduced At First Fall Meeting Of Local P.T.A.

Parents of grammar school pupils will have their first opportunity to meet Gerald Smith, new school superintendent-principal, and members of the teaching staff at the first fall meeting of the P.T.A. in the grammar school auditorium at 2:30 next Thursday afternoon. The entire staff will be introduced and meet the parents in the social hour to follow the business meeting. All citizens of the community are invited to attend.

Commencing October 24, the Parent-Education committee announces a course entitled "Character unfoldment through appreciation of the fine arts," a group of lectures by Esther Requarth based on educational experience in European schools as well as in the United States.

The series, open to all at a nominal charge, will continue for six weeks, meeting each Tuesday in the school library. Those signing up for the course will receive copies of the material used each week and of the pictures under consideration.

In the absence of Miss Requarth, Mrs. Frances McClure, music teacher who has been her associate the past year in Pasadena, will be the program speaker on October 19, giving some of the highlights of these lectures.

The tea hour will give old and new P.T.A. members opportunity for a pleasant social gathering. Newcomers to the city are urged to attend.

Pupils At Grammar School Join In PTA Membership Drive

The various rooms in the Sierra Madre School started their drive for memberships in the Parent Teacher Association this week. Two prizes are being offered, according to Mrs. Dorothy Jenkins, chairman of the membership committee. The first prize is five dollars, the second two and one half dollars. These prizes will be awarded to the rooms obtaining the highest percentage of members of the parents of the children. The awards will be used for educational materials for the rooms.

Over thirty-five dollars were realized for the local P.T.A. from the sale of tickets to the Rose Bowl football circus. This money will be used for welfare work in the school. Mrs. Eitner was in charge of the local ticket sales work. The school's children assisted with the ticket selling. Mr. Larsen's room sold the largest number of tickets. Mrs. Wheeler's room was second, with Miss Snyder and Mrs. McKenzie tied for third.

Select Singer For Role Of Carmen; Need More Voices

Miss Betty Weiss, mezzo soprano of Altadena, has been chosen to sing the role of Carmen, in the opera to be presented later in the autumn at the Sierra Madre Woman's Club under the direction of Mrs. J. Milton Steinberger. Every possible consideration was given to young singers here before choosing an out-of-town girl, but after exhausting every possibility Miss Weiss was chosen so that full rehearsals might get under way. Chorus rehearsals are conducted each Monday and Thursday evening at the clubhouse by Mrs. Nell Vieira and Miss Hazel James Ferguson, and while most of the group are between 16 and 25, Mrs. Steinberger will welcome more mature voices as well.

CITY SCHOOL TAX CUT OVER 6 CENTS; TOTAL LEVY FOR ALL PURPOSES \$6.0283

Sierra Madreans will pay a school tax of \$2.0722 per \$100 of assessed valuation, for the current year, a reduction of six and a third cents under the rate for the fiscal year of 1938-39. The school rate, fixed Wednesday, brings the total tax for all purposes in Sierra Madre to \$6.0283, or about 12 cents under the total tax for the last fiscal year. Five cents of the cut was made in city taxes, .0635 in the school rate and the remainder is accounted for in a slight reduction in the county rate.

Tax bills that will shortly go into the mails will call for levies indicated below. Comparative figures are for the fiscal year 1938-39:

	1938-39	1939-39
County tax rate	\$1.4973	\$1.51
Flood Control	.2188	.21
City	.224	.229
School	2.0722	2.1357
Total	\$6.0283	\$6.1457

Establishment of the new seventh grade in the grammar school is credited with bringing about much of the reduction in school taxes. The following table is a breakdown of the school tax, together with the figures for the preceding year:

	1938-39	1939-39	Difference
Elementary School	7054	7411	less .0357
High	2029	.0783	more .1246
Jr. College	5641	.6552	less .0911
Elementary school bonds	4635	.5288	less .0653
High school bonds	1363	.1323	more .0040
Total	2.0722	2.1357	less .0635

Suggested Inquiry Into City Owned Light Plant Tabled

Sitting as a committee of the whole city council Tuesday evening considered the suggestion of Leland Fogg that the council appoint a committee of which its members would be a part, to inquire into the advisability of a city owned electric light plant. In view of the fact that the city has pending with the State Railroad Commission an application for a reduction in rates here that would extend the rate enjoyed by Arden to Sierra Madre, it was deemed inexpedient to act on Fogg's suggestion at this time and on motion of Councilman Tom Schwartz the matter was tabled.

Hitler Named In Suit By Local Dairy

Gets Injunction To Restrain Circulation Of Alleged Malicious Falsehoods

An injunction suit filed in the Superior Court Wednesday by Sierra Madre Dairy against the Arden Farms Corporation and Sidney Goodwin, contains a claim for \$7,000 damages alleged to have been sustained by the dairy through the circulation of false reports concerning its attitude toward and sympathies in the European war.

Judge Wilson, sitting in Department 34 of the Superior Court, issued a temporary order restraining the defendants from further circulation of alleged malicious stories among the Sierra Madre Dairy's customers to the effect that owners of the dairy are in sympathy with Hitler, if not actually members of the German-American Bund.

These stories are branded as malicious and are vigorously denied in the bill of complaint filed for the dairy by Attorney M. A. Woodward, of Sierra Madre, it being maintained that owners of the dairy and its employees are violently opposed to Hitler's aims and policies and his precipitation of the war in Europe.

It is alleged in the bill of complaint that Goodwin, a discharged employee of the dairy, by virtue of his employment by and confidential relations with it, was in possession of a list of the dairy's clients and that now as an employee of the Arden Farms Corporation he has attempted to take business away from his former Sierra Madre employer by misrepresentation.

A claim for actual damages of \$2,000 and exemplary damages of \$5,000 is asked in the bill of complaint. Judge Wilson granted the temporary injunction.

West Gets The First Auto Show This Year

The world premier of the 1940 American automobile, promising to be as dazzling as any Hollywood opening, will take place Saturday afternoon with the beginning of the annual Los Angeles automobile show at the Pacific Auditorium on Beverly blvd.

The automobile premier for Los Angeles was set a full month ahead of its usual date, coming even before the New York Show. It will be a visible sign of an expected general American business revival, to be led to a large degree by the automobile industry.

Care Of Unusual And New Flowers Topic At Sunday Supper

Neil Campbell, well known Pasadena horticulturist, will speak on new and unusual flowers from seeds and bulbs at the Sunday evening supper program at Wistaria Vine Gardens. Supper is served at 6:30 and reservations may be made by calling 2763.

Ceremony To Mark Bridge Opening

Notables Coming Tomorrow To Dedicate New East Grand View Ave. Structure

Sierra Madre's new East Grand View avenue bridge will be formally thrown open to the public at 3 o'clock tomorrow (Saturday) afternoon when normal traffic will be resumed over the thoroughfare for the first time since the March, 1938, storm, which took out the old bridge and left many sections of the street impassable.

In recognition of the structure's importance to the well-being of the city the opening will be attended by somewhat of ceremony. Mayor William J. Schiltz will accept the bridge on behalf of the city council. Former Supervisor Herbert C. Legg, now administrator of the WPA which furnished the labor that built the bridge, has promised to be present and make a short address or send a personal representative if his presence is not possible.

Assemblyman T. Fenton Knight, of La Canada, who succeeded in having the State department of public works appropriate a sum sufficient to guarantee building of the bridge, will speak on behalf of the public works department.

Miss Mary Rita Schiltz, youngest daughter of Mayor and Mrs. Schiltz, will cut the ribbon formally opening the bridge to traffic. Work on the new bridge began early in June and was to have been completed within 120 days. Since that was impossible the city council fixed November 1 as date for completion. Estimated cost of the structure was \$18,385, of which WPA agreed to contribute \$12,608 for labor and the city \$5,777 for materials. The state advanced the city \$4,000 to be applied to its share. It is expected final actual costs will be about \$2,000 under the estimates.

There is much rejoicing over completion of the bridge and paving of the thoroughfare and a good crowd is expected at tomorrow's ceremony to show its appreciation.

City's Water Basins Said To Be OK

Answering Inquiries Council Reports On Condition Of Spreading Grounds

Inquiries addressed to the Chamber of Commerce by Miss Jessie Dunning and Al S. Myers as to the condition of the city's spreading basins and the disposition to be made of runoff storm water originating beyond the east side of Auburn avenue were answered in a statement the city council Tuesday evening directed City Clerk Pratt to forward as a letter. The letter says:

"The basins are all in good condition except the first settling basin which holds a large amount of sand. This sand was not removed as the Flood Control District, during the past year, was removing and using the sand in the construction of the channel bottom in Sierra Madre Canyon. Equipment has been in the process of construction for removing the balance of this material for some time, and all the basins will be completely conditioned this season."

"On the recommendation of the City Engineer and Street Superintendent, who informed the Council that previous attempts to divert Auburn avenue and Baldwin avenue water east on Grand View avenue to the basins had not proven satisfactory, due to sanding up of the culverts, the Council has abandoned the attempt at such diversion. All water from the territory east of Baldwin avenue and north of Grand View avenue is recovered."

"The new channel in Sierra Madre Canyon delivers much more water to the basins than ever before, and during the past heavy storm which carried runoff from the Mt. Wilson storm of 13.6 inches and 5.5 inches of local rainfall, the basins held the entire flow without difficulty."

Move In 100-Man Crew To Complete Recreation Area

A 100-man State Relief Administration camp was moved into the Charlton Flats-Chilao Valley section Friday to speed recreational developments. A. J. Mueller, assistant in charge of improvements for the Angeles Forest, visited Charlton Flats to oversee locating of the SRA camp and said work would begin about October 24. This camp augments the Emergency Relief Administration crew at Chilao Valley, which has been working on forest improvements. Latest section of Angeles Crest highway is about ready for its final seal coat and other finishing touches.

Deny Application For Public Park In Auburn Ave.

A petition by Mr. and Mrs. D. F. Robertson and half a dozen of their neighbors on Auburn avenue that the narrow strip of Auburn avenue frontage owned by the city at Grove street be dedicated as a public park was denied by the city council at its meeting on Tuesday.

This is the property, a part of which the Robertsons contend is a public thoroughfare through usage, that caused an injunction to be filed against the city by the Robertsons, who claim that they would be denied an entrance to their home by construction of a fence as proposed by the city. The Superior Court granted a temporary injunction which the Robertsons agreed to withdraw if the city would dedicate the property as a public park and a strip of it as a public thoroughfare. A hearing will be held next month on the Robertsons' application for a permanent injunction.

'Call To Alms' Sounded For Chinese

Committee To Aid Civilian Victims Formed Here And Bowl Of Rice Party Set

"A Call to Alms" is the stirring cry for the second annual Bowl of Rice party to be held at Wistaria Vine Gardens Sunday evening, October 29, Harry Lange, heading the 1939 committee, announced his co-workers this week as R. C. Lewis, treasurer; Mrs. E. E. Bacon, Mrs. W. J. Lawless, Dr. J. E. Gossard, Frank Spencer, W. L. Burr, Gus Rihard, Capt. E. G. Everett and Carl Hansen. Bright posters and rice bowls will be placed in different sections of the city next week to help raise funds for relief of non-combatant sufferers in the Japanese war in China.

Sierra Madre made a good showing last year, and it is expected that the October 29 party, at which it is hoped a prominent Chinese speaker will be present, will be an overwhelming success.

American Bureau for Medical Aid to China, China Emergency Civilian Relief, Women's Committee for Civilian Relief in China are three national organizations which have combined under the national chairmanship of Colonel Theodore Roosevelt, Jr., to form the United Council for Civilian Relief in China.

The first nation-wide fund-raising effort of the Council is the series of Bowl of Rice parties to be held during the week of October 30 in cities throughout the country. Other activities of the council will include appeals to churches, charitable trusts and philanthropic organizations.

During the past year the American Bureau sent to China \$200,000 worth of antiseptics, microscopes, surgical instruments, x-ray machines and ambulances. Twenty million quinine tablets were also sent.

"Seldom before has it been possible to relieve so much human suffering for so little money," said Col. Roosevelt. "From the work that has already been done it is known that for as little as \$50 we can send enough vaccine from the United States to China to save the lives of 2,500 persons. For \$10,000 we can provide medical care for the population of a community as large as Washington, D. C., or New Orleans."

H. Westerfield, of this city, is a member of the Monrovia Elks Lodge committee planning a "Barn Dance" with a Halloween motif, Saturday evening, October 28, at the lodge, for the benefit of suffering Chinese. It is to be a "gingham" affair with a good orchestra to provide dance music. Elks and the woman's group, the Emblem Club, will serve as patrons and hostesses of the event, all proceeds going to the United Council for Civilian Relief in China.

Return Of Summer Sends Mercury To 91

A miniature heat wave which blew in from the desert raised the temperature to 91 degrees yesterday, with warm weather probably to continue over the weekend. Although the week's temperatures are above normal for this season, Mrs. H. B. Hersey discovered the temperature of 89 on Wednesday was the same as that date in 1938.

The hot spell has caused federal and county foresters to tighten their fire control systems, perhaps returning to summer season duty, since gales at high levels were reported, and three more lookouts were placed back on duty in the Angeles Forest.

Temperatures for the week:

Date	Max.	Min.
Oct. 6	85	54
Oct. 7	86	50
Oct. 8	82	50
Oct. 9	85	53
Oct. 10	85	57
Oct. 11	89	63
Oct. 12	91	57

Precipitation: This week, .57; total for season, 7.17; last year this date, .13.

Conference Called For Boy's Club

Council School Board And Civic Organizations To Further Youth Movement

Plans for organization of a youth movement and eventually a boy's club in Sierra Madre will be discussed at a conference Tuesday evening between the city council, and school board and officers and representatives of various organizations interested in the youth movement, including the P.T.A., Woman's Club, Kiwanis Club, Boy Scouts and church societies. The conference has been called by the city council which directed that an invitation to attend be extended to any and everyone interested in the plan. The meeting will be held in the council chamber of the city hall at 8 o'clock.

A number of local organizations have shown a marked interest in the idea, notably the Woman's Club, P.T.A., and the Kiwanis club, and various suggestions have been made for lines along which a supporting organization could be formed and a boy's club house established.

E. A. Davey, executive officer of the Pasadena Boys Club, who is a resident of Sierra Madre, has been called into several conferences and is said to have not only volunteered his services in the preliminaries, but in actual conduct and supervision of the club. He has been invited by the council to be present Tuesday evening.

Pasadena city officials and officers of the city's welfare work are authority for the statement that the boys club there has contributed very substantially to a decrease in juvenile delinquency and is deserving of every possible support the city is able to give it.

Cut In Phone Rates Affects Local Users

New Schedule Applies To Extended Service Subscribers In February

Sierra Madre is included in a telephone rate adjustment announced this week by the State Railway Commission estimated to save telephone subscribers in Los Angeles metropolitan area approximately \$1,600,000. It is declared by the commission to be "the most fundamental and far reaching development in telephone rate and service plans...ever inaugurated."

Under the new rate, effective in January, Sierra Madre telephone subscribers having extended service will enjoy a considerable reduction in calls made within the 30-cent toll rate zone. Calls to Los Angeles, for instance, for which a charge of 15c is now made, will cost 10c; present 10c station to station toll charges will be cut to 7c; 20c charges to 14c and 25c charges to 17c. Reductions will not apply to coin box telephones nor to party lines. It is estimated there are somewhat more than 100 extended service lines in the city and the new rate scheduled is calculated to increase this number considerably.

Full effect of the new rate will not be felt for almost a year. Business single party lines here will not be affected until February. Later in the year two party flat rate services will be included where extended service is contracted for.

Pacific Electric Amends Franchise Application

An amended franchise ordinance covering its poles and high tension wires on East Orange Grove and Baldwin avenues was submitted to the city council by the Pacific Electric railway and passed on first reading Tuesday evening. Power transmitted over the lines is for exclusive use of the company for operation of its railroad. In its new application the company took heed of the council's suggestion that the franchise be granted only for 20 instead of 50 years and that its poles and wires be erected on the south instead of the north side of Orange Grove avenue.

Horticulture And Birds Subject At Meeting Sunday

Dr. George P. Lux, president of the Southern California Horticulture Society, announces that there will be an outdoor meeting and picnic of the Society, and the Los Angeles and Pasadena Audubon Societies at his mountain estate in Monrovia, Sunday, October 15, from 10 a.m. to 4 p.m. There will be speakers on birds and insects as related to horticulture, and Dr. Watson, of Cal Tech, will talk on growth hormones and vitamin B-1 for growing cuttings, at 11 o'clock. Anyone interested is invited to attend, taking along a picnic lunch.

BEST SALESMAN

Though nothing succeeds like success, it's a rare success that doesn't bring forth a Doubting Thomas to challenge it.

As a case in point, Mr. Doubting Thomas has attacked advertising but the evidence continues to roll up against him.

First, the Brookings Institute, in an exhaustive study, supplied names, dates and figures of how advertising, far from increasing the costs of goods Mrs. Housewife buys, not only reduces price, but stimulates production, creates jobs, and is a healthy factor in our economic life.

The cost item chalked up to advertising results in lower prices to the customer by reason of increased demand. This survey gives further answer to the "why" of advertising, but it also supplies a clue to the "where" of advertising. For every dollar spent by these retail groups for radio time, ten dollars went into newspaper advertising.

That the local newspaper is the community's best salesman and buying counselor finds additional proof in a door to door check-up recently conducted in several cities by the University of Chicago's School of Business. It

Kiwanians Told U.S. In Ticklish Spot On Neutrality Stand

Expressing the belief that America would be blamed now by nations at war whether she adheres to the present neutrality act, amends or abolishes it, Allyn Barber, Pasadena attorney, speaking before Tuesday's Kiwanis club meeting, gave the history of neutrality, going back to the war of 1812.

Mr. Barber declared he could see no distinction between selling shoes, and clothing to the belligerents, because they are all contraband of war. If we do not repeal the present act, we are still prohibited against sale of any merchandise to Italy, Holland, Belgium, Finland, Sweden and Denmark—all neutral countries, he said.

Quoting the late Woodrow Wilson in 1914, he admonished American people to reserve their judgment against one or the other of the belligerents, because of the diversity of citizenship in this country. The inside sympathy for a mother country is strong, and to avoid any conflict or breakout in feelings, the speaker suggested that citizens reserve their conversations in taking one side or another.

THOMAS SOLURY VERY SERIOUSLY ILL

Slight improvement was reported at St. Luke's hospital Tuesday in the condition of Thomas Solury who entered the hospital for treatment last Monday. Mr. Solury operated a grocery store in Baldwin avenue and later in Kersting Court for many years. He is very seriously ill.

GIRL SCOUTS TO HAVE A HALLOWE'EN PARTY

Ruth Coit, Muriel Jack and Jean Goodrich are Sierra Madre Girl Scouts in charge of a Halloween party planned at a Scout meeting Wednesday afternoon at their club room in the Congregational Church. The Scouts worked on their literature and dramatics badge at that meeting. A group of Scouts are going to see the "Wizard of Oz" today.

Mr. and Mrs. Foster Bumpus and family enjoyed a Sunday outing and picnic at Oak Glen, near Yucalpa.

found the home town newspaper outlasting in effectiveness all other mediums.

There are the answers to the "why" and "where" of advertising. Doubting Thomases need only stop, think and ponder, to be convinced.

ATTENDANCE MOUNTING AT FRIDAY EVENING DANCES FOR CITY'S YOUNG FOLK

Friday evening dancing and games at the Woman's Club are gaining momentum, with new members of the younger set joining in the gaiety at each affair. Last Friday 125 attended, and had a jolly time with never a dull minute.

For those who do not dance well there are classes from 7 until 8 which are increasingly well attended, then general dancing later and many interesting games. On each occasion there is a program arranged and presented by the young people. Those taking part last week were Leona High, Betty Stewart, Roberta Roberts, Ed McCloskey, Gloria Dougherty, Frances Robertson,

Mary Lou Lovejoy, Charles Wilson, Don Miller, Don Wilson and Alan Robertson. Don Miller acted as master of ceremonies.

Surprise feature of the program was an exhibition waltz by Ivan Karloff and Mrs. Ruana Lawson. The affair was directed by Miss Hazel James Ferguson who was assisted by a group of hostesses.

AVOCADO GROWERS INSTITUTE NEXT WEEK

The 1939 avocado institute will be held at the Washington grammar school, La Habra, on October 20th. Timely subjects of marketing and production problems are included in this educational program. The institute is open to the public, and avocado growers from all Southern California are urged to attend.

WEED ARRANGEMENT WINS RECOGNITION

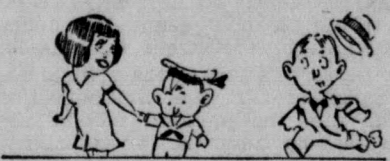

Among women to receive recognition for distinctive weed arrangements entered in the Weed Show in Pasadena last year, is Mrs. W. S. Hull, whose arrangement of weed was photographed and appears in the current issue of the Western Woman.

MRS. STELLA DENNISON GOES TO HOSPITAL

Mrs. Stella Dennison, of West Sierra Madre blvd., was taken to General Hospital in Los Angeles last Thursday for checkup and examination. Mrs. Dennison, sister of George Norris, is well-known to Sierra Madreans, having lived here for many years. She had been in poor health for some time.

Mr. and Mrs. Howard Price and daughter Deanna, of Fillmore, were weekend houseguests of Mr. and Mrs. Charles A. Root, 685 West Grand View avenue.

Hillbilly Carnival On Hallowe'en Set By Arts Guild

A "hillbilly" Hallowe'en carnival sponsored by the Sierra Madre Arts Guild Saturday evening, October 28, will transform East Montecito avenue, in the vicinity of A. J. Dewey's old adobe studio, into a carfree, jolly rendezvous. Plans for the carnival were discussed as a Guild directors' meeting Tuesday and because last year's affair was such a success, it was decided to retain many of the same features, and add several innovations.

Strolling musicians, fortune tellers, dancing in the rear of the studio, grab bags, concessions and amusements of many types, will bring atmosphere and entertainment to Sierra Madreans. Louis Ziegler heads the committee on dances and entertainment, and Mrs. A. J. Dewey is in charge of fortune telling, food concessions, etc.

Woman's Society To Hear Leader In The Youth Movement

Major Esther Hughes of New York, National Secretary for the young people of the Volunteers of America, will be presented by Mrs. Neuman Essick as guest speaker for the first fall meeting of the Woman's Missionary Society of the Congregational Church, next Tuesday, October 17. Mrs. Warren O. Preston will conduct devotions. Mrs. H. W. Wilhelm will talk on current events. Luncheon will be in charge of Mrs. A. F. Guignot and reservations should be made with Mrs. R. J. Lord at 1761.

Grammar School Notes

Mrs. Leonards' 2B grade went over to Los Angeles on Friday to visit the wholesale terminal market. A guide met the bus and escorted the children all over the place. The large market clock with its minute hand three feet long was one of the big attractions. They also inspected a banana house, the trucks of the buyers and sellers, and the unloading of the trains of produce.

These are busy days for the girls in the 6A-7B sewing class because they are making pin cushions. Soon they will make shorts and maybe dresses. Mrs. Leonard, their teacher, is going to take the girls down town to look at the different materials.

The 6A-7B girls are enjoying many games these days. During volleyball Mrs. McKenzie acts as score and timekeeper. Most of the girls have decided that balls are too hard on watches. The result is that Mrs. McKenzie has had a row of watches on each arm.—Adair Roach.

Thursday we were playing soccer. The captains were Truett and Marvin. Truett's team won.—Willard Adams.

This is National Book Week and the 6A and 7B are drawing pictures of books. Miss Lusted, the art teacher, is going to put up the good pictures of books in the school halls.—La Verne Lyos.

The 6A and 7B music class is singing a number of nice songs this year such as "The Rainbow," "King of Kings," and "Rancho Grande." Some of the songs the class is now learning are American hymns. The music teacher, Miss Fessler, sings and plays for us.—Imogene Burns.

The 6A and 7B are making lamps in woodshop of pine and mahogany. Jerry Blum and George Babbitt were the first to start. Boys in the shop are Willard Adams, George Babbitt, Jimmy Barnes, Jerry Blum, Marvin Burns, George Coble, Paul Christie, Byron Coleman, Wilfred Edmunds, Buddy Einsel, William Guardia, Norman Hernandez, Fred Krimke, Truett McCullough, Eddie Rambeau, Edward Spake, David Stewart and Manuel Wanild.—Jerry Blum.

Mrs. Wheeler's 6B class has made a good beginning on its first unit, "Our Earth and its Development," learning something about the beginning and development of plants and animals through the five great eras of time and how this story is read in the rocks. They are launching now on the study of prehistoric man, and his habits, as a result of his environment. It is hoped that the study of our background may help us to live wisely and appreciate and make good use of

the blessings and advantages of our present civilization and especially our own United States. The class has been organized with Dirk Cable as president, Eileen Pulling, vice-president, Nathan Tarr, secretary, Ann Irish, class council, and Bob Cass, sergeant-at-arms.

All this week the art classes have been having lessons in water color. The walls are covered with brightly colored pre-historic animals, Peruvian masks, posters for Book Week, and boats, ancient and modern.

These first three weeks of school Miss Mootes 5B class has been learning about early explorers and discoverers as a background for their study of early American colonial life.

Many interesting and enjoyable reports of early Colonial life and customs are being given in Mr. McElfresh's 7A-7B class. The Colonial games and amusements for boys and girls were very different than those we have today.

Every Thursday there will be a class meeting of the 7A-7B in Mr. McElfresh's room. The Class president, Wanda Daulton, will lead a discussion on the topic "Making the School a Better School, a Happier, and a More Pleasant Place in Which to Work." The result of the class discussion will be reported to the Student Council by the 7A-7B student council member, Kathryn Dowding, at their first meeting at the office of Mr. Smith, superintendent of schools.

Faigela Rosen, because of being in Washington when school opened, entered Mr. McElfresh's 7A-7B class Monday, October 2.

At the suggestion of Mr. Smith, a teacher's meeting is to be held each Wednesday at 3:30 p.m.

What A Girl Sees Ramblin' Round

IT WON'T surprise us now if a resident drops in or calls up to say that he (or she) has lost a piano, or a kitchen range and to inquire whether it has been "turned in" to the village lost and found department at The News office. Not after a lady brought in a man's tan shoe... almost new... the other day... She found it on the street. Since we have been identified with The News just about every imaginable article or apparel... men's and women's... have been brought in, or inquired about... Gloves and keys seem the easiest things to lose... particularly right hand gloves... Eye glasses and their cases rank third... Then come women's handbags... and pocketbooks... Many of the latter are reported lost and quite a few "turned in"... They're always claimed... But every so often one containing sizable sums of money is inquired for... but seldom heard of... It doesn't seem to be hard to lose jewelry from the amount that comes in to the lost and found, and the pieces reported missing... Suit cases and travel-

ing bags come next and then... of all things to lose... coats and hats... Invariably such items are claimed, but all that are reported lost don't come to the lost and found... Recently a gent came in to inquire whether a sapper... blackjack to you... had been turned in... Boys in the office said he was a stranger...

We like the vacation the senior Jim Heasleys started off on this week... no hard and fast schedule to keep with... bustling and hurrying... hard driving and all... They just started out to "go up North"... ambling along to really get the beauty of the country they are going through... Only certain destination is Coalinga where they will visit friends... We wouldn't want to hurry in any case, but particularly if it was our job to chase around in the police patrol car for hours without end every day as "Pop" Heasley does when he's on the job...

Sixty-eight years ago on Monday the great Chicago fire occurred... and this week all of Los Angeles county is urged to help prevent fires... According to reliable statistics one home burns every minute of the day and one home is completely destroyed every three minutes by fire throughout the nation... Eighty per cent of all fires are prevent-

able... caused by carelessness...

Two little yellow ducks strayed from home one morning last week and were contentedly paddling along Highland avenue on the soft green parking... They must have done it before because they were not the least bit upset when a car drove or people passed close enough to kneel down and touch them... They quacked a little and jogged on... Two burros that looked much like the ones that were "jailed" early this spring for trespassing, munched grass along East Alameda avenue... Their placid expression would not indicate their stubbornness in refusing to stay put at Orchard Camp.

Pretty pink amaryllis have given color and fragrance to the office... Last week we had lovely cut flowers... unusual for this time of year... Now we have a potted plant... with several blossoms... When the flowers die we were told we might keep and plant the bulb... which will bloom again and again.

N. F. Graham, ticket agent at the P. E. station has just returned this week from a vacation in Oklahoma and tells us he heard some wild tales back there about California... Oklahomans who got their information from the heat wave of last month... and wanted to know all about the "terrible storm off the coast when a large boat was dashed to pieces"... Mr. Graham told them the "large" boat was a fishing barge which went out in unfavorable weather... and other boats of the same type turned back... but still the home-owners were a bit skeptical for the radio news sounded much worse... The ticket agent began to wonder a bit about California weather himself when he left Pasadena Sunday morning and that evening he was still at Indio... where heavy rains had caused washouts...

Our faith in weather predictions has been restored... by Arthur M. Udell, superintendent of the Angeles Crest CCC camp... A few weeks ago he said that following the cool, wet spell we would have "another summer"... For a while it looked as though Mr. Udell missed his guess, but when the temperature climbed up to the high 80's this week... we are ready to believe nearly anything Mr. Udell predicts...

MARGARET L. KROELL ARRIVES AT HOSPITAL

Mr. and Mrs. Richard Kroell of 432 Sturtevant drive are the parents of a baby daughter born 7 o'clock Monday morning at St. Luke's hospital. The baby, who weighed 6 pounds 12 ounces at birth, will be named Margaret Louise.

FIRE FLAMES

Not to be outdone by stories of fellows who attended the State convention, Fireman, Policeman, Sailor Al Bray took a trip to the far north of California to see "Bill" Murphy whom we all know for his famous steaks. Al tells that he had a wonderful visit with Bill in his hideout in the forest along the Klamath River. "Bill's" camp or home is an ideal spot for a retired fisherman, said Al. Deer hunting was good, but Bray did not bring one back. He had a perfectly good alibi for this, so all those who expected to eat venison this week, will excuse him. So enthused is Bray over his trip and visit that he will have to be watched very closely or he might disappear. Many of us knew Murphy as owner of Hoeger's camp in the Santa Anita Canyon for several years, but most of us remember him best for the steaks he used to cook.

ANOTHER PRIZE FOR STAMP COLLECTORS

Sierra Madre philatelists will soon have another important stamp to add to their collections with issuance of a special 3-cent stamp commemorating the 50th anniversary of the discovery of gold in California. The new stamp will be placed on sale in California and other states on November 13. The central subject is an outline map showing in lighter color these four states on a background of darker shade containing the boundary lines of the bordering states.

STAGE STRUCK DAMSEL AT THE PLAYHOUSE

A stage-struck damsel with her wagon hitched to a bright marquee, cuts an electrifying swath as she drives her vehicle of ambition down New York's Broadway, according to Zoe Akins' comedy-drama, "Morning Glory," coming to the Pasadena Community Playhouse, October 17-23. Between the young lady's problem to decide whether she is genius or otherwise, there is humor and pathos.

"Dear Octopus," current playhouse stage attraction, completes its run on Saturday, October 14. Mrs. Grace Caukin left Wednesday evening for Salt Lake City to attend a regional conference for the Western States of the women's division, Democratic National Committee. She will return Sunday night.

Timely Tips

By Florence Matheny
Home Economist, Southern
Counties Gas Company

USE your head on a head of cabbage! Let the walrus in the rhyme talk of kings if he must; let kitchen queens concentrate on cabbages! Cabbages may be white or red or curly. A cabbage's personality should be crisp, its heart sound and its body solid to the core. Cabbage should be served in the nude (raw to you) sometimes, and whole (scooped out) sometimes, and cooked to a crisp tenderness, too. Sometimes let its disposition turn sour—and emerge as sauerkraut. Forget cabbage is good for one (it is) and realize its goodness in this select set of recipes:

FRENCH FRIED CABBAGE
4 cups shredded raw cabbage
1 cup milk
1 cup flour
Salt
Fat for frying

Crisp cabbage in ice water, drain, and dry well. Dip a small amount, first in milk, then in flour, then in the flour, heat fat, over full flame, to 375° F. Lower flame to simmer-click position after cabbage is added to fat. Use a frying basket (or wire sieve) for this, and fry for about one minute, or until brown. Drain on unglazed paper; salt while warm, and serve immediately. Serves 6.

CABBAGE-NUT-FRUIT SALAD
Remove outside leaves of red cabbage, cut off top. With sharp knife, cut out center, leaving outside as a "shell." Chop this center cabbage fine, crisp it, and drain. Mix with sliced fruit bananas, chopped nut meats, chopped red-skinned apples, unpeeled, and raisins. Mix with French dressing. To serve pile salad mixture back into cabbage "shell." Additional dressing or sour cream may be passed. (Proportions may be varied to suit individual preferences.) Store in automatic refrigerator until serving time.

CABBAGE CHOP SUEY
1 tablespoonful shortening
3 cups shredded cabbage
1 cup celery, sliced
1 thinly sliced green pepper
1 minced pimiento
1 sliced onion
Salt and pepper

Heat shortening in frying pan; add remaining ingredients and stir well. Cover; lower flame to a minimum and steam for 5 minutes, stirring several times. Serve immediately. Serves 4 to 6.

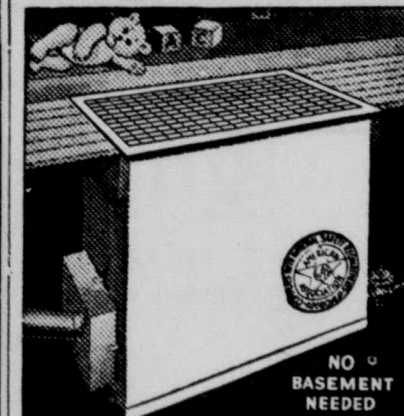

CABBAGE RUMANIAN STYLE
2 tablespoonfuls butter
2 tablespoonfuls flour
1/4 teaspoonful salt
1/4 teaspoonful pepper
1/4 teaspoonful dry mustard
1 cupful top or evaporated milk
1 cupful old English cheese
1 pimiento, chopped
2 1/2 cups cooked shredded cabbage, drained

Melt butter in saucepan over simmer flame. Stir in flour and seasonings, and stir until smooth. Add milk and cook until thick, stirring constantly until thickened. Lower flame to the minimum and cook for 15 minutes. Add cheese and stir until melted; add pimiento and cabbage and continue cooking, slowly until thoroughly hot. Add pickles just before serving. Yield 6 portions.

And here is good news! On Friday, October 13th, the weekly all-gas cooking school will open at 2 p.m. at Southern Counties Gas Company, 114 East Lemon avenue, Monrovia. Plan to come; bring your friends and your questions; and enjoy seeing simple foods become luscious and tempting before your very eyes.

MORGRIDGES CELEBRATE SILVER ANNIVERSARY

A surprise dinner and evening party celebrating the silver anniversary of Mr. and Mrs. George B. Morgridge was given by Dr. and Mrs. Joseph Copp at their home in Los Angeles Tuesday evening. Nineteen friends who had been present at the wedding were among the guests, including four of the six bridesmaids who attended Mrs. Morgridge. The dining room was decorated with huge white chrysanthemums and Queen Anne's lace, while talismen roses set the decorative theme for the living room. Mrs. Morgridge was presented with an exquisite silver water pitcher, from the group many of whom were members of the Pi Beta Phi. Among those present besides Mr. and Mrs. Morgridge were Mrs. Hortense Hill, Mr. and Mrs. John Harlow Mills and Howard Morgridge.

MISS BRAIN HONORED AT MISCELLANEOUS SHOWER

A miscellaneous shower, honoring Miss Mary Frances Brain whose marriage to William Fleming will take place Sunday afternoon, was given by Miss Muriel

Tarr at her home, 274 West Montecito avenue, last Thursday evening. After presentation of the gifts the group staged a mock wedding which evoked much laughter. Those present included Mmes. Edwin Keating, George Larson, Herbert Seibert, Al Miller, Gordon McMillan, Robert Tarr, Howard Cant, Emile Smith, Richard Patterson, Lyle McElwain, William Wright, and Misses Evelyn Solury, Madeline Loomis, the honoree and hostess.

MAPHA CLUB ENJOYS A TIN CAN SUPPER

A "tin can" supper was enjoyed by Mapha club members Friday evening at the home of Barbara Hollingsworth in Los Angeles. Girls brought food for their supper in cans and opened them at the Hollingsworth home. Later in the evening the 13 members and two rushes attended the play, "Merry Widow."

RECENT BRIDE GIVEN A PLEASANT SURPRISE

Mrs. Carl Young, recent bride, was entertained at a surprise

bridal shower given last Sunday by Miss Marie Bergien at the home of Mrs. Lillian Young Clark, 261 Adams street. Many beautiful gifts were received by the guest of honor. Present were Angela Contreras, Constance Michima, Floretta Brown, Evelyn Bergien, Marie Schiltz, Evelyn Solury, Arlene Olson and Mmes. Jack Kohl, "Dusty" Rhodes, James Kelleher, Lillian Young Clark and the hostess, Miss Bergien.

DICKENS FELLOWSHIP HAS FIRST FALL MEETING

PIONEERS CELEBRATE 50TH ANNIVERSARY

More than thirty residents and former residents of Sierra Madre attended the golden wedding celebration of Mr. and Mrs. Torrance Pratt at their home in Ontario, Sunday. Mr. Pratt was among the earlier residents of Sierra Madre, coming here from England in 1884. Five years later he and Miss Miriam Steele, who was the first librarian here, were married. They made their home here for many years before going to Ontario. Among those present at the celebration Sunday were Mrs. C. W. Bowen, Mrs. Laura Stevenson, Mrs. Randolph Wood and Miss Daisy Hawks.

EDGAR LESSLEY TO WED A MISSOURI GIRL

Wedding rites for Miss Kathleen Muleady and Edgar Fay Lessley will be read at the Congregational Church by Rev. Arthur O. Pritchard at 2 o'clock Sunday afternoon. The bride will wear a pale blue gown, a lei of gardenias and gardenias in her hair. She will be attended by Mrs. George Bovette as matron of honor, and Mrs. James Thorpe, both wearing pastel gowns of blending shades. Best man for Mr. Lessley will be George Bovette. James Thorpe will act as usher. Appropriate songs will be sung by Miss Virginia Carpenter of Los Angeles.

Following the ceremony there will be a reception for relatives and friends in Puente where Mr. and Mrs. Lessley will be at home to their friends at 2705 West Valley blvd., after a short wedding trip. The bride is a daughter of Mrs. Bertha Glover, of Moberly, Mo. Mr. Lessley is the son of Mr. and Mrs. S. K. Lessley of 319 Ramona avenue.

Tuesday evening Miss Muleady was guest of honor at a miscellaneous shower given by Miss Oia Lessley and Mrs. S. K. Lessley at their home here. Many friends attended and presented the bride-elect with delightful gifts.

Man Badly Hurt As He Falls Into Ditch

Falling into a ditch at Baldwin and Grand View avenues Saturday evening, R. P. Montgomery, 72, of 405 Churchill road, received a fractured upper right arm and a dislocated shoulder. The street at that corner is disrupted while a new gas main is being laid but bomb torches burn around excavations there. Mr. Montgomery, taking a walk that evening, left the sidewalk in front of St. Rita's church, and tried to jump across the opening but dropped into the open ditch. Two passing men helped him out and to his home. Dr. Nathan Jacobs' who attended him had x-ray pictures made at St. Luke's Hospital, revealing shoulder and arm injuries.

Several barricades had been placed in front of the ditches but there was no barricade directly in line with the sidewalk leading from the north to the open ditch. Officers discovered one a few feet of the line, as though someone had moved it.

William Wright arrived from Deeth, Nevada, Saturday to join his family here for a short vacation at the Preston Schwartz cottage at Balboa. Mr. and Mrs. Wright and family will return to Deeth this weekend.

Mr. and Mrs. Eugene Hamm of San Francisco spent last week with Mr. and Mrs. W. E. McMullen, 44 East Carter avenue.

Sierra Madreans who attended the Foothill Study Club luncheon in Pasadena Monday to hear Prof. Roy Malcolm were Mrs. Grace Calkin, Miss Dorothy Small, Miss Ruth West and Mrs. Denison.

An attractive prize was awarded to Mr. and Mrs. Thomas Schwartz who won the prize waltz contest at the Eastern Star dance last Saturday evening. Saturday evening, November 4, has been chosen for the next O.E.S. dance.

Mrs. W. S. Hull, 542 West Montecito avenue, is enroute to Sas-

katoon, Saskatchewan, Canada, to visit her brother, Dennis Van Buren. She will go by way of Chicago and Michigan where she will also visit relatives and will be away about two months.

Miss Sadie Weisberg, of Brooklyn, N.Y., arrived this week to spend several days here with her aunt, Mrs. Bertha Shapiro, 377 West Montecito avenue. This is Miss Weisberg's first visit to the west coast and she has unbounded enthusiasm for Sierra Madre and California. Before coming to the south she spent several days at the San Francisco Exposition.

E. E. Schneberger, who has been ill since September is making progress toward recovery and is able to receive friends at his home, 189 North Hermosa avenue.

Mrs. Charlotte M. Hannaford, 748 Brookside Lane, who left her home last Friday for treatment at Huntington Memorial Hospital, wishes to thank neighbors and friends for kindnesses shown during her illness. She is hopeful that radium treatments will prove beneficial.

Houseguests last week at the home of Mrs. W. T. McKee, 618 West Highland avenue, were Mr. and Mrs. Harry Bemis and Mrs. T. C. Baker of New York City.

E. B. DeGroot, of East Orange Grove avenue, chief executive of the Los Angeles Boy Scouts, has returned from a month's vacation in the east where he attended the National training conference of Scout executives at Bretton

CURB
the oil hog!

CRACK DOWN ON THE OIL RACKETEERS!

For years a few unscrupulous, profit-mad Oil Barons have been throttling California's leading industry — draining the life's blood from your greatest natural resource. These merciless, self-appointed dictators have needlessly wasted your oil and caused millions of barrels to become isolated in the earth, never to be recovered.

STAMP OUT THE OIL PIRATES!

PROPOSITION 5 will break the money-grabbing racket of these Oil Racketeers. It prevents corruption, prohibits waste, enforces conservation and insures the consumer low-priced gasoline.

VOTE YES #5

BARBECUE PIT TO BE BUILT AT SCHOOL

Another innovation at the Sierra Madre grammar school will be construction of a large barbecue pit on the school playground. Student groups, Boy Scouts and Girl Scouts will be privileged to use it.

STATE PICNICS

The Illinois picnic reunion will be held all day Saturday, October 21st, in Sycamore Grove Park. Former residents of North Dakota and visitors from that state will observe the 50th anniversary of the admission of their state to the Union, at a picnic to be held all day Thursday, November 2nd, in Sycamore Grove, and at a banquet to be held in the Chapman Park Hotel in the evening.

With Sierra Madre Students At Wilson Jr. High School

First Fall issue of the Wilsonian, distributed October 10, featuring summer camp activities, had several Sierra Madre students on its staff. They include Val Mariotti, a publicity editor, and mathematics beat; Donald Keys, club editor, and band and orchestra news; Chloe Knapp, glee club; Vivian Weber, languages, and exchange editor.

The Allan Hancock ensemble, an organization of musicians devoted to interpretation of outstanding compositions by the world's great masters, gave a musical program at assembly, September 29.

Bobbie Fletcher and Lorelle Fontaine were among the students who sold most tickets for the P.T.A. Football circus. The boys won the contest and their reward will be an assembly during school hours.

Bernadine Holec, a song leader, led the Girls' Athletic Association in songs following election of officers and a skit presented by a few of last year's members representing past, present and future methods of playing basketball.

Girls physical education class squad leaders include June Solnit, Dorothy Alley, Dorothy Nicholson and Mary Armstrong. To qualify for a squad leader a girl must have received an "A" or "B" in physical education the previous semester. The girls take roll and supervise games in the teacher's absence.

Woman's Club Begins Year Of Promise

Continued from Page One

partment, and as long as I am there we will not unduly stress the problems of juvenile delinquency, but those of the children in the normal American home.

"The American home is the corner stone of our civilization and while youth is not what it was when we were young, all life is obedience, therefore no mother who neglects to exact obedience from her child is doing that child a kindness. Parents should teach obedience kindly, but if they neglect this duty they may know that the world will teach it cruelly. Constant bickering in the home is one of the most destructive forces, and after 21 years of law practice, I can say that 90 percent of such bickerings lead to broken homes.

"In the club you should sponsor trips for poor children, and foster creative activities which will help the young people to help themselves, for the club has no business to exist unless it does something actively for youth.

"Youth must be taught to be self reliant, and if I had a boy, whose father was a millionaire, he would still sell papers on the corner if I had to give the money to charity. All young people should have by the time they enter the university, a definite objective. They should train for some particular thing for the only dearth in the country is for skilled workmen. We must also dignify the trades, encourage our young people to read the lives of great men; discourage their study of foreign forms of government until they have a firm grounding in the American form of Government and United States history. And finally give them some kind of spiritual education to equip them to meet life successfully, for every man or woman who has accomplished anything worth while has possessed a religious streak, and therefore all should be taught to live also by the Golden Rule."

Mrs. Fred Griebenow presented to the club in memory of Mrs. Mary Hinton, who for many years was an active member and contributed greatly to the creation of the club garden, a still life painting of books and flowers, the work of Mrs. Hinton which she gave to Mrs. Griebenow shortly before her death.

Afternoon activities included announcements of plans for the coming year by Mrs. Robertson who presented members of her board and special guests of honor, including Mrs. C. H. Baker, of Pasadena, charter member and honored guest of the day who spoke briefly.

Special thanks were expressed by Mrs. Robertson to Mrs. J. S. Billheimer and Mrs. E. E. Bacon who decorated the club and made attractive corsages; to Mrs. Fletcher White who made corsages for the guest of honor and the president, and Mrs. Nelle Vieira who opened the morning program with a piano solo and will be the active music chairman for the year.

—Margaret Eliason.

A LIFEGUARD

... AT WORK

Yes, your Doctor is truly a Life Guard. Often you will find him, far beyond regular office hours, engaged in reading medical books and periodicals, keeping informed on the latest scientific developments. Thus he guards the health and welfare of his patients.

Cooperate with your Doctor by calling on him promptly at the first indication of trouble. Follow his instructions implicitly. And when you have his prescription, bring it here to be filled, where you are assured of skilled, conscientious professional service; fresh, potent drugs and prices that are fair.

NEW BRIDGE MEANS ANOTHER OUTLET

A four-lane reinforced concrete bridge spanning Eaton Wash on East California street is one of the major county bridge projects planned for 1939-40 in the Pasadena area. Upon construction, the bridge will extend California street as far east as Michillinda avenue, where it will be able to take traffic that originates at the Santa Anita race track. The county has \$34,700 set up in the budget for the bridge.
